LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. Infosys does not warrant: (a) that the Materials will meet Your requirements; or (b) that the operation of the Services will be uninterrupted or error free.

- **POSTING ON THE INFOSYS WEBSITE:** Infosys does not claim ownership of the materials You provide to Infosys (including feedback and suggestions) or post, upload, input or submit to any section of the Website, (each a "Submission" and collectively "Submissions"). However, by posting, uploading, inputting, providing or submitting ("Posting") Your Submission You are granting Infosys, its affiliated companies and necessary sub-licensees permission to use Your Submission in connection with the operation of their Internet businesses (including, without limitation, all services offered by Infosys), including, without limitation, the license rights to: copy, distribute, transmit, publicly display, publicly perform, reproduce, edit, translate and reformat Your Submission; to publish Your name in connection with Your Submission; and the right to sublicense such rights to any other party. You hereby acknowledge and agree that no compensation shall be paid or no future commercial consideration has accrued with respect to the use of Your Submission by Infosys, as provided herein. Infosys shall be under no obligation to post or use any Submission You may provide and Infosys shall remove any Submission at any time at its own sole discretion. By Posting a Submission You hereby warrant and represent that You own or otherwise control all of the rights required under worldwide law for Your Submission as described in these Terms of Use including, without limitation, all the rights necessary for You to provide, post, upload, input or submit the Submissions.
- **LAWFUL AND / OR PROHIBITED USE OF THE WEBSITE:** As a condition of Your use of the Services, You shall not use the Website or Services for any purpose(s) that is unlawful or prohibited by the Terms of Use or the Agreement. You shall not use the Services or Website in any manner that could damage, disable, overburden, or impair any Infosys server, or the network(s) connected to any Infosys server, or interfere with any other party's use and enjoyment of any services associated with the Services or Website. You shall not attempt to gain unauthorized access to any section of the Services, other accounts, computer systems or networks connected to any Infosys server or to any of the services associated with the Services, through hacking, password mining or any other means. You shall not obtain or attempt to obtain any Materials or information through any means not intentionally made available through the Services or Website. Infosys may suspend Your right to access or use any portion or all of the Service immediately (a) if Infosys, after reasonable due diligence given the nature and severity of the issue, reasonably determines that: (i) Your use of the Service poses a material risk to the security or operation of Infosys's systems, the Service or the systems or data of any other customer, or (ii) Your use of the Service violates this Section or is illegal or fraudulent; or (b) You fail to pay any undisputed amounts within 30 days after notice of past due amounts. Infosys will promptly restore the Services to Buyer upon resolution of the issue and/or payment of the outstanding amounts (as applicable).
- **INDEMNITY:** You agree to indemnify and hold harmless Infosys, its subsidiaries and affiliates from any claim, cost, expense, judgment or other loss relating to Your use of the Services or the Website in any manner, including without limitation of the foregoing, any action You take which is in violation of the terms and conditions of these Terms of Use and against any applicable law.
- **CHANGES:** Infosys reserves the rights, at its sole discretion, to change, modify, add or remove any portion of these Terms of Use in whole or in part, at any time. Changes in these Terms of Use will be effective when notice of such change is posted. Your continued use of the Website or the Services after any changes to these Terms of Use are posted will be considered acceptance of those changes. Infosys may terminate, change, suspend or discontinue any aspect of the Services or Website, including the availability of any feature(s), at any time. Infosys may also impose limits on certain features and services or restrict Your access to certain sections or all without notice or liability. You hereby acknowledge and agree that Infosys may terminate the authorization, rights and license

given above at any point of time at its own sole discretion and upon such termination; You shall immediately destroy all Materials.

- **INTERNATIONAL USERS AND CHOICE OF LAW:** This Site is controlled, operated and administered by Infosys from its offices within India. Infosys makes no representation that Materials on this Website are appropriate or available for use at any other location(s) outside India. Any access to this Website from territories where their contents are illegal is prohibited. You may not use the Website or export the Materials in violation of any applicable export laws and regulations. If You access this Website from a location outside India, You are responsible for compliance with all local laws. These Terms of Use shall be governed by the laws of India, without giving effect to its conflict of laws provisions. You agree that the appropriate court(s) in Bangalore, India, will have the exclusive jurisdiction to resolve all disputes arising under these Terms of Use and You hereby consent to personal jurisdiction in such forum. These Terms of Use constitutes the entire agreement between Infosys and You with respect to Your use of the Website. Any claim You may have with respect to Your use of the Website must be commenced within one (1) year of the cause of action. If any provision(s) of this Terms of Use is held by a court of competent jurisdiction to be contrary to law then such provision(s) shall be severed from this Terms of Use and the other remaining provisions of this Terms of Use shall remain in full force and effect.
- **CONFIDENTIAL INFORMATION.** “Confidential Information” means any non public information directly or indirectly disclosed by Infosys (the “Disclosing Party”) to You (the “Receiving Party”) or accessible to the Receiving Party pursuant to the Agreement that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential, including without limitation technical data, trade secrets, know-how, research, inventions, processes, designs, drawings, strategic roadmaps, product plans, product designs and architecture, security information, marketing plans, pricing and cost information, marketing and promotional activities, business plans, customer and supplier information, employee and User information, business and marketing plans, and business processes, and other technical, financial or business information, and any third party information that the Disclosing Party is required to maintain as confidential. Confidential Information will not, however, include any information which: (a) was publicly known or made generally available to the public prior to the time of disclosure; (b) becomes publicly known or made generally available after disclosure through no fault of the Receiving Party; (c) is in the possession of the Receiving Party, without restriction as to use or disclosure, at the time of disclosure by the Disclosing Party; (d) was lawfully received, without restriction as to use or disclosure, from a third party (who does not have an obligation of confidentiality or restriction on use itself); or (e) developed by the Receiving Party independently from this Agreement and without use of or reference to the Disclosing Party’s Confidential Information or proprietary rights. Except for rights expressly granted in this Agreement, each Party reserves all rights in and to its Confidential Information. The Parties agree that the Materials are Confidential Information of Infosys.
